COMMITTEE SERVICE:

Medical College of Wisconsin

1982 - 1987 Member, Promotion Committee, Indiana State Board of Health and Marion County Health, Department Health, Purdue University

1985 - 1987 Member, Executive Committee, Center for Research on Aging, Purdue University

1986 - 1987 Member, University School of Liberal Arts Committee, Develop an Operational Plan for Research, Purdue University

1987 - 1995 Chair and Social Science Representative, Expedited Review Committee, University Institutional Review Board, Purdue University

1987 - 1989 Member, Dayton Area Technology Network, Wright State University
1987 - 1993 Member, University Research Council, Wright State University
1987 - 1989 Secretary, University Research Council, Wright State University
1989 - 1995 Member, University Graduate Council, Wright State University
1989 - 1993 Chair, School of Medicine Research Committee, Wright State University
1990 - 1993 Director of the Laboratory Animal Resources, Search Committees for Deans of Nursing, Graduate Studies, and Science and Math, Wright State University
1991 - 1992 Member, Biotechnology Committee, Wright State University
1992 - 1995 Member, Health Services Research, Ohio Council of Medical Deans, Wright State University
1992 - 1994 Co-Chair, Primary Care Task Force of the Ohio Council of Medical Deans, Ohio Primary Health Care Consortium, Wright State University
1992 - 1994 Member, Oversight responsibility for Laboratory Animal Care and Use Committee, Laboratory Animal Facility, Wright State University
1992 - 1993 Co-Chair, Ohio Council of Medical Deans, Health Services Research, Wright State University
1992 - 1995 Member, Health Promotion and Disease Prevention Curriculum Task Force, Wright State University
1993 - 1994 Chair, Liaison Committee on Medical Education subcommittee on Research, and Steering Committee, Wright State University
1993 - 1995 Member, Introduction to Clinical Medicine Advisory Committee, Wright State University
1995 Member, Faculty Development Task Force, Wright State University
1996 - 1999 Member, Wisconsin Area Health Education Center (AHEC), Statewide Governing Board, Medical College of Wisconsin
1996 - 1998 Guest Member, Steering Committee, Consortium for Primary Care in Wisconsin, Medical College of Wisconsin
1996 - 1998 Member, Wisconsin Public Health Advisory Council, Medical College of Wisconsin
1996 - 2006 Member, Rank and Tenure Committee, Medical College of Wisconsin
1996 - 1999 Member, Governance Council, Wisconsin Geriatric Education Center, Medical College of Wisconsin
1997 Member, Department of Family and Community Medicine Strategic Planning Process, Medical College of Wisconsin
1997 - 2000 Member, Medicine Research Advisory Committee, Department of Family and Community, Medical College of Wisconsin
1998 - Present Member, Medicine Advisory Council, Department of Family and Community, Medical College of Wisconsin
1998 - 2003 Member, Strategic Planning and Implementation Council and Education Subcommittee, Medical College of Wisconsin
1998 - 2001 Member, Ad Hoc College Community Service Group, Medical College of Wisconsin
2001 - Present Member, Executive Committee of the Faculty, Medical College of Wisconsin
2002 - 2010 Member, Curriculum Development Committee, Medical College of Wisconsin
2002 - Present Board member, Consortium on Public and Community Health, Medical College of Wisconsin
2002 - 2010 Member, Promotion of Scholarship in Public and Community Health Committee, Medical College of Wisconsin
2002 - 2010 Member, Faculty Development Committee, Medical College of Wisconsin
2002 - 2010 Chair, Council for Public and Community Health, Medical College of Wisconsin
2002 - 2010 Member, Community Partnership Development and Advocacy Committee, Medical College of Wisconsin
2002 - 2004 Member, MPH Committee of the Graduate Council, Medical College of Wisconsin
2003 - 2006 Member, Ad Hoc Committee, Leadership Development for Junior Women Faculty, Medical College of Wisconsin
2004 - 2006 Member, PhD in Public and Community Health Steering Committee, Medical College of Wisconsin/University of Wisconsin-Milwaukee
2005 - 2008 Member, Policy Core Committee, Healthy Wisconsin Leadership Institute, Medical College of Wisconsin
2005 - 2008 Member, Injury Research Policy Core Committee, Medical College of Wisconsin
2006 - Present Member, Advisory Committee and Community Engagement Committee, Clinical Translational Science Award (CTSA), Medical College of Wisconsin

2006 - Present Member, Advisory Committee, Department of Population Health, Medical College of Wisconsin

2006 - 2008 Member, M2 Health Policy Course Curriculum Committee, Medical College of Wisconsin

2006 Member, M4 Health Policy Selective Committee, Medical College of Wisconsin

2006 - 2008 Chair, Strategic Planning Process, Public and Community Health Task Force, Medical College of Wisconsin

2006 - 2007 Member, Search Committee for Chair of the Department of Population Health, Medical College of Wisconsin

2006 - 2010 Member, Advisory Committee, Department of Population Health, Medical College of Wisconsin

2008 - 2011 Member, Dean's Advisory Committee, Medical College of Wisconsin

2008 - 2010 Member, Dean's Education Innovation Advisory Committee, Medical College of Wisconsin

2009 - 2010 Co-Chair, Planning Committee for new Institute for Community, Population and Public Health, Medical College of Wisconsin

2009 - 2010 Co-Chair, Leadership Development Steering Committee, Medical College of Wisconsin

2009 - 2010 Member, Senior Associate Deans' Committee, Medical College of Wisconsin

2009 - Present Member, President's Search Committee, Medical College of Wisconsin

2009 - 2010 Member, LCME Self-study Task Force Committee, Medical College of Wisconsin

2011 - Present Member, Faculty Leadership Development, Medical College of Wisconsin

2011 - Present Chair, Commencement Committee, Medical College of Wisconsin

2011 - Present Member, Faculty Forward Committee, Medical College of Wisconsin

2011 - Present Member, Centers Workgroup, Medical College of Wisconsin

2011 - Present Member, Board Retreat Planning Committee, Medical College of Wisconsin

2011 - Present Member, President Council Committee, Medical College of Wisconsin

2011 - Present Member, Strategic Directions Committee, Medical College of Wisconsin

2011 - Present Member, Institutional Financial Advisory Committee, Medical College of Wisconsin

2012 - Present Member, Central Funds Workgroup, Medical College of Wisconsin

2012 - Present Member, Position Review Committee, Medical College of Wisconsin

2013 - Present Member, Taskforce on Community Engagement, Medical College of Wisconsin

2014 - 2018 Engagement Survey Task Force, Member, Medical College of Wisconsin

2015 - Present School of Pharmacy Founding Dean Search Committee, Chair, Medical College of Wisconsin

2015 - Present MCW Academic, Clinical, and Research and Engagement (ACRE) Board Committee, Medical College of Wisconsin

2016 - 2018 Senior Associate Deans Committee, Member, Medical College of Wisconsin

2016 - Present Senior Vice President for Strategic Alliances and Business Development Search Committee, Member, Medical College of Wisconsin

2018 - Present Advancing Women's Leadership Group, Medical College of Wisconsin

2019 - Present MCW Strategic Initiatives Committee, Medical College of Wisconsin

2020 - Present MCW Strategic Plan Taskforce: Health Starts Within and Think Next Generation, Medical College of Wisconsin

2021 - Present MCW Engagement Survey Committee, Medical College of Wisconsin

2021 - Present MCW Organizational Development Taskforce, Medical College of Wisconsin

10/2023 - Present Co-Chair, Freedom of Expression Committee

2024 - Present Member, Carnegie Community Engagement Steering Committee

MCW TEACHING ACTIVITIES:

Medical Student Education

1996 - 2001 Physicians for Social Responsibility

1996 - 2000 Rural Student Interest Group

Postdoctoral Fellow Education

1996 - 2001 Physicians for Social Responsibility (including Isaac Coggs Saturday Morning Clinic)

EXTRAMURAL TEACHING:

Medical Student Education

- 1978 - 1987 Purdue University, Data Management and Analysis
- 1978 - 1987 Purdue University, Social Gerontology
- 1978 - 1987 Purdue University, Statistical Methods
- 1978 - 1987 Purdue University, Medical Sociology
- 1978 - 1987 Purdue University, Health Planning
- 1978 - 1987 Purdue University, Health Care Organization
- 1978 - 1987 Purdue University, Methods of Social Research

Graduate Student Education

- 1978 - 1987 Purdue University, Graduate courses in: Statistical Methods, Data Management and Analysis, Methods of Social Research, Medical Sociology, Health Planning, Health Care Organization, and Social Gerontology
- 1979 - 1985 Purdue University School of Liberal Arts, Consultant for methodological, statistical, data management and programming problems
- 1980 - 1985 Purdue University, As Director of the Social Research Institute in the Department of Sociology and Anthropology, provided research assistantships for several PhD students from her grants and provided direct guidance in research design and statistical analysis to three PhD students: Sarah Weiser, PhD, Peter Cunningham, PhD, Lynne Lonquist, PhD
- 1980 - 1985 Purdue University, Developed graduate and undergraduate student training
- 1980 - 1985 Purdue University, At the request of the Dean of the School of Humanities and Social Sciences, implemented a summer grant development seminar. Ten junior faculty were selected in a competitive process, and each received a summer stipend to develop a grant proposal. Dr. Maurana worked with each faculty member; 7 of 10 received external peer-reviewed funding in the following year.
- 1991 - 1995 Wright State University, Chair of the Multiprofessional Health Professions Education Task Force (with members from seven different disciplines). Developed a series of multiprofessional community-based courses that combine didactic and clinical education. Courses focus on community-identified needs and resources, health promotion and cultural diversity. Received School of Medicine award for innovation in medical education for these efforts.
- 1991 - 1995 Wright State University, Received Innovation in Medical Education Award for the development of a curriculum that brought together faculty from five disciplines for interdisciplinary faculty development: medicine, nursing, psychology, social work, allied health.
- 1992 - 1995 Wright State University, Developed a summer research program for medical students and served as a mentor to one student per summer.
- 1992 - 1995 Wright State University, Workshops on Selected Concepts of Total Quality
- 1992 - 1995 Wright State University, Participated in ongoing multiprofessional curriculum development and implementation; served as course director for medical student selectives
- 1992 - 1995 Wright State University, Served on dissertation committees for two PhD in Nursing students

MCW STUDENTS, FACULTY, RESIDENTS AND CLINICAL/RESEARCH FELLOWS MENTORED:

Medical Students

- 2005 - 2008, M2 Course in Health Policy, Lecturer, Medical College of Wisconsin
- 2006 - 2008, M4 Selective in Health Policy, Lecturer, Medical College of Wisconsin

Graduate Students

MPh Committees

- 2011 - Present Terry Brandenburg, Medical College of Wisconsin

Residents

- 1996 - Present, HRSA Primary Care Fellowship Program in the Department of Family and Community Medicine: Laurie De Mattia DO (completed) and David Nelson, PhD (beginning, June 2007)., Medical College of Wisconsin

Faculty

- 1996 - 2006, Junior Faculty in Department of Family and Community Medicine, Medical College of

Wisconsin

- 1996 - 2006, Junior Faculty in Faculty Development Programs sponsored by the Office of Educational Affairs: Paul Hunter, MD, Barbra Beck, PhD, Robin Helm, MD., Medical College of Wisconsin
- 1997 - 2002, While Director of the Center for Healthy Communities, strongly encouraged pursuit of advanced study by staff; three staff have completed PhDs and received faculty appointments. Worked with each person to carve out an independent, original research topic from the work being done in the Center., Medical College of Wisconsin
- 07/1998, National Service Learning Institute – one of eight faculty leaders for a 5-day intensive retreat: continue to serve as a mentor. (Leavenworth, WA), Medical College of Wisconsin
- 1998 - 2001, Medical Information Management course for epidemiology and biostatistics (8-10 students, 16 times per year)., Medical College of Wisconsin
- 1999 - 2006, Fourth Year Elective in Health Promotion for the Underserved (one student per month), Medical College of Wisconsin
- 2000 - 2002, Third-year Clerkship in Family Medicine, Presentation and Evaluation, Medical College of Wisconsin
- 2001 - 2005 Capri Mara Fillmore, MD, NIH Clinical Scholars Program, Medical College of Wisconsin
- 2002 - Present, Faculty mentor for Junior faculty applying for Healthier Wisconsin Partnership Program grants (nationally peer-reviewed)., Medical College of Wisconsin
- 2006 - 04/2010, Founding Director, PhD in Public and Community Health Program, Medical College of Wisconsin
- 2007 - Present, MPH Public Administration Course, Lecturer, Medical College of Wisconsin
- 08/2008 - Present, Doctoral Seminars Direct seminar series for students enrolled in the PhD Program in Public and Community Health. Topics include theoretical analyses of current trends in public health, understanding the engaged scholar, models for building healthier societies, evaluation techniques and standards in public and community health, community-academic partnerships, health improvement models, socio-behavioral applications of public health, and community-based participatory research methods, Medical College of Wisconsin
- 2011 - Present, Faculty mentor for junior faculty in the Institute for Health and Society, including Kirsten Beyer, PhD, and Amy Lemke, PhD, Ann Maguire, MD, MPH, Medical College of Wisconsin, Medical College of Wisconsin

EXTRAMURAL STUDENTS, FACULTY, RESIDENTS, AND CLINICAL/RESEARCH FELLOWS MENTORED:

Residents

- 1998, Served on UWM dissertation committee for Barbra Beck, PhD, University of Wisconsin - Milwaukee

COMMUNITY SERVICE ACTIVITIES:

- 1990 - 1995 Center for Healthy Communities, Dayton, Ohio (Founding Director) Participants: ? Four health professions schools, (medicine, nursing, allied health, professional psychology) and Department of Social Work, one hundred community and health care organizations, and several hundred residents from Appalachian and African American communities Funding: ? Sixteen grants totaling more than \$5M, many from highly competitive, nationally visible programs Outcomes: ? One of the first centers of its kind nationally to develop a comprehensive, interdisciplinary community-academic partnership ? Improved health care in the Dayton community through renovation of two community health centers, increased access to health care providers, and reduced number of emergency room visits ? Community health advocate program assisted more than 2,000 clients ? Twelve multidisciplinary classroom-based and clinical education opportunities developed for more than 2,000 students in seven disciplines Recognition: ? Received five national awards for various Center programs ? Recognized by the Health Resources and Services Administration (HRSA) as one of the top twenty models nationally for improving the health of underserved communities ? Major contributor to Wright State School of Medicine's receipt of the 1997 AAMC Award for Outstanding Community Service
- 1992 - 1996 Reach Out of Montgomery County (Ohio) (Founding Co-Director) Participants: ? Montgomery County Medical Society, Montgomery County Health District, Wright State School of Medicine ? Recruited 256 volunteer providers, including 136 physicians Funding: ? One of twenty-two (of over

- 1,800 applicants) programs funded by the Robert Wood Johnson Foundation.(\$300K) ? Incorporated into 501©3 that is sustained through ongoing funds from several community organizations Outcomes: ? Provided care to 2,500 patients who have no insurance ? Developed a system of available resources that focused on practicing physicians but also included hospitals, the health district, health and human service agencies, and other providers Recognition: ? Recognized by Robert Wood Johnson Foundation as a model program
- 1995 - 1999 Wisconsin Area Health Education Center (AHEC) System (Statewide Director) Participants: ? Statewide network including the state's two medical schools, fifteen nursing schools, and several other health professions ? Four regional AHEC centers with community boards Funding: ? Obtained \$6.5M in federal dollars and \$2.5M in matching state dollars Outcomes: ? Reorganized and streamlined a disorganized statewide system ? Led the development of several statewide initiatives ? Developed several interdisciplinary education programs ? Expanded cultural competency training Recognition: ? Moved system from being viewed as a problem by the federal program office to serving as a model for other states
- 1996 - 2002 Community-Campus Partnerships for Health (CCPH) (Chair of Founding Board and Board Member) Participants: ? In five years on the Board, CCPH grew to a national network of over 1,000 communities and campuses that are collaborating to improve health. Funding: ? Organization became self-sustaining with annual operating budget of approximately \$900K. Outcomes: ? Viewed as leadership organization for partnership development between communities and academics by such organizations as Association of Academic Health Centers and Association of American Medical Colleges ? Three national conferences ? National mentor network ? Series of technical assistance publications Recognition: ? As founding chair, received national leadership award for community-academic partnership development
- 1997 - 2002 Center for Healthy Communities, Medical College of Wisconsin (Founding Director) Participants: ? Three regional and state, twenty-six community, and five national partners; several hundred participants in programs ? Center has statewide emphasis (rural and urban) ? Involves MCW medical students and residents Funding: ? In first four years, the Center obtained fourteen federal and foundation grants for approximately \$2.6M ? Several grants received high merit review scores Outcomes: ? Programmatic Outcomes: - Community Health Advocate program - Cancer Prevention initiative in Milwaukee public housing - Health education programs for elderly - Rural and urban community-based, and MCW-based student programs - Marion Area Coalition for Healthy Communities (rural) - Partners for Progress public housing initiative - Community Health Curriculum for third and fourth year medical students ? Employment Program for public housing residents at MCW and Froedtert Hospital - Community Outreach Partnership with Froedtert Hospital ? Leadership role in development of proposed MCW Institute for Public and Community Health submitted to Blue Cross/Blue Shield Recognition ? HUD grant for Community Outreach Partnership Center was ranked number one in the country out of one hundred sixteen applicants. ? Selected for a site visit by the National Advisory Council of the Drug-Free Communities Program based on the strength of our Coalition. Recognized as a model medical school partnership with a community ? Fifteen community partners provided oral and written testimony about the significance and outcomes of their partnership with the Center at the Blue Cross hearings conducted by the Wisconsin Insurance Commissioner. ? Partners for Progress Program received Wisconsin Public Health Association Partnership of the Year award.
- 1999 - Present Advancing a Healthier Wisconsin Program (Senior Associate Dean and Board member) Work with the President, Dean and Senior Vice President to provide leadership for the development and implementation of Advancing a Healthier Wisconsin. This program has three complimentary components: a statewide community-academic partnership program; biomedical, clinical, population health research; and, medical, and public health professional education. This program resulted from the conversion of the Blue Cross/Blue Shield United of Wisconsin to for-profit status. Work closely with leadership at The University of Wisconsin-Madison School of Medicine and Public Health that also received funding. Provide leadership for the Healthier Wisconsin Partnership Program, the public and community health component of the endowment. Funding Approximately \$300M endowment resulting from the for-profit conversion of Blue Cross/Blue Shield United of Wisconsin: 35% of the funds are allocated to public and community health community-academic partnerships, 65% to biomedical, clinical and population health research and medical and public health education. (The University of Wisconsin-Madison School of Medicine and Public Health also received \$300M.) Recognition ? Have systematically solicited and incorporated public feedback and comments throughout the process.

- Comments about clarity, inclusiveness and integrity of the process have been consistently positive from Wisconsin citizens. ? National merit reviewers have commented on the excellence and strength of the program. ? Medical College of Wisconsin received the Association of American Medical Colleges (AAMC) Outstanding Community Service Award, national recognition for the College's work, including the Healthier Wisconsin Partnership Program. ? Dean received award from Wisconsin Public Health Association (2006) in recognition of the Medical College of Wisconsin's Healthier Wisconsin Partnership Program.
- 2001 - 2011 Public and Community Health (Senior Associate Dean) As Senior Associate Dean for Public and Community Health, provided overall leadership for public and community health initiatives at the Medical College of Wisconsin. Advanced the re-integration of public health and medicine and supported community-academic partnerships for health to advance the College's core missions of education, research, clinical care and community engagement. Selected accomplishments include: -- Advanced the revision of the College's mission from service to community engagement -- Fostered development of community-engaged faculty and community-academic partnerships -- Served in a leadership role for the College's receipt of the Association of American Medical Colleges' (AAMC) Outstanding Community Service Award in 2005.
- 2008 - 2011 Medical College of Wisconsin Violence Prevention Initiative (Co-Director for Development Phase and Principal Investigator for Implementation Phase) Provide leadership as the Principal Investigator of the Medical College of Wisconsin Consortium Violence Prevention Initiative (www.mcw.edu/vpi.htm). The Consortium on Public and Community Health has invested \$1.1M in the development and \$8.2M in the implementation of the Violence Prevention Initiative through the Advancing a Healthier Wisconsin endowment. The Violence Prevention Initiative has two major goals: 1) decrease rates of violence in identified areas of Milwaukee and, possibly, greater Wisconsin; and, 2) strengthen community capacity to prevent future violence. Implementation of this initiative is planned to continue over a 10-year period for up to \$20M. Outcomes ? Created infrastructure, including 16 member community-academic steering committee and community stakeholders ? Reviewed the academic literature, collected data on violence statistics, and compiled information on local and national violence prevention initiatives ? Developed model that integrates research, community practice, and community knowledge and experience ? Conducted community assessments and developed initial model with focus on youth violence ? Awarded \$8.2M over 5 years for the VPI Implementation Phase (launched February 2010):
 o Prevention and early intervention for youth aged 0-11 yrs in school-based settings
 o Influence/motivate youth aged 12-17 yrs in neighborhood-based settings
 o At-risk youth using a positive outcomes approach that will support youth's successful transition into adulthood
 o Social settings and broader community level for its intervention that will emphasize community-capacity building
- 2009 - 2011 Institute for Health and Society (serve as Founding Director) Provide leadership for the development of a new interdisciplinary Institute for Health and Society with a mission "to improve health and advance health equity through community and academic partnerships," and: ? link medicine, public health, and social and behavioral sciences to foster and conduct research, education, urban clinical care initiatives, and community engagement that address community-identified needs; and ? serve as a model for academic leadership in building partnerships among medicine, public health and communities. The Institute will accomplish this mission through training the next generation of health professionals; researching new discoveries in population and public health; developing innovative programs for clinical care delivery; strengthening community-academic partnerships; and, translating research findings into practice. The Institute launched in October 2010.
- 2011 - 2012 Institutional and Community Engagement (Senior Associate Dean) As Senior Associate Dean for Public and Community Health, provided overall leadership for public and community health initiatives at the Medical College of Wisconsin. Advanced the re-integration of public health and medicine and supported community-academic partnerships for health to advance the College's core missions of education, research, clinical care and community engagement. Selected accomplishments include: ? Advanced the revision of the College's mission from service to community engagement -- Fostered development of community-engaged faculty and community-academic partnerships -- Served in a leadership role for the College's receipt of the Association of American Medical Colleges' (AAMC) Outstanding Community Service Award in 2005.
- 2012 - Present Office of Strategic Outreach (Vice President) Reporting to the President, provide leadership for the development of a new inter-institutional initiatives to advance the College's core missions of education, research, clinical care and community engagement, including: -- development of the

community medical education program -- lead the development of an inter-institutional Consortium to advance health care economics and innovation -- develop an inter-institutional partnership to encourage coordination and collaboration for community health initiatives -- lead collaborative processes for the development of other key institutional initiatives The Office of Strategic Outreach is home to the Advancing a Healthier Wisconsin Program. The Office of Strategic Outreach was established in July 2012.

LEADERSHIP:

- 1990 - 1992 Leadership and Model Development in Health Professions Education. Fifteen Medical, Nursing and Other Health Professions Schools selected to participate in four one-week workshops sponsored by the W.K. Kellogg Foundation
- 1993 Association of American Medical Colleges Executive Development Week-long Workshop for Associate Deans and Chairs
- 1998 - 2001 Faculty Development Fellowship in Academic Leadership, Department of Family and Community Medicine

RESEARCH DEVELOPMENT:

- 1984 - Present Present seminars and workshops on various aspects of grantsmanship
- 1984 - 1989 Designed university-wide research development information system for Purdue University
- 1984 - Present Provide technical assistance to faculty in grant proposal preparation
- 1985 - 1989 Prepared documents on policy issues related to university research and funding trends for the Ohio State Legislature and Board of Regents
- 1990 - 1995 Facilitated the development of Biomedical Research Seed Grant (BRSG) guidelines for seed grants involving collaboration between basic and clinical scientists. Developed process for, and managed distribution of, funds from the Wright State University School of Medicine's BRSG program
- 1990 - 1995 Presented faculty development workshops on health services research
- 1991 - 1994 Developed student research program for the Wright State University School of Medicine
- 1992 - 1995 Developed informal mentor program for researchers
