

CURRICULUM VITAE

Joshua D. Noe MD

Associate Dean, Professor
Department of Pediatrics
Division of Gastroenterology

OFFICE ADDRESS:

Research Park Center
10000 W Innovation Dr
Milwaukee, WI 53226

EDUCATION:

08/1994 - 05/1998 Saint Louis University, St. Louis, MO
08/1998 - 06/2002 Saint Louis University School of Medicine, St. Louis, MO

POSTGRADUATE TRAINING AND FELLOWSHIP APPOINTMENTS:

07/2002 - 06/2003 Internship in Pediatrics, Saint Louis University School of Medicine, St. Louis, MO
07/2003 - 06/2005 Residency in Pediatrics, Saint Louis University School of Medicine, St. Louis, MO
07/2005 - 06/2008 Fellowship in Pediatric Gastroenterology, James Whitcomb Riley Hospital for Children,
Indiana University School of Medicine, Indianapolis, IN

FACULTY APPOINTMENTS:

08/2008 - 06/2015 Assistant Professor of Pediatrics, Division of Gastroenterology, Medical College of
Wisconsin, Milwaukee, WI
06/2015 - Present Associate Professor of Pediatrics, Division of Gastroenterology, Medical College of
Wisconsin, Milwaukee, WI

EDUCATIONAL ADMINISTRATIVE APPOINTMENTS:

08/2008 - Present Director of Resident & Senior Medical Student, Gastroenterology Rotation, Medical
College of Wisconsin, Milwaukee, WI
04/2010 - 12/2011 Assistant Director of Medical Student Pediatric Clerkship, Medical College of Wisconsin,
Milwaukee, WI
07/2011 - 12/2012 Director of Pediatric Sub-internship, Medical College of Wisconsin, Milwaukee, WI
12/2011 - 01/2020 Director of Pediatric Clerkship, Medical College of Wisconsin, Milwaukee, WI
06/2013 - 06/2015 Director of Preparing for Internship M4 course, Course taken by >180 M4s per year to
prepare them for urgent medical & professional issues they will use in their upcoming internship,
Medical College of Wisconsin, Milwaukee, WI
06/2013 - 06/2014 Co-chair of MCW clerkship directors, Medical College of Wisconsin, Milwaukee, WI
06/2014 - 10/2016 Chair of MCW clerkship directors, Medical College of Wisconsin, Milwaukee, WI
04/2018 - 07/2018 Interim Chair of MCW clerkship directors, Medical College of Wisconsin, Milwaukee, WI
07/2018 - 12/2019 Chair of MCW clerkship directors, Medical College of Wisconsin, Milwaukee, WI
01/2020 - Present Associate Dean of Continuing Professional Development, Medical College of Wisconsin,
Milwaukee, WI

HOSPITAL AND CLINICAL ADMINISTRATIVE APPOINTMENTS:

01/2009 - 06/2010 Member, Family Centered Rounds Committee, Children's Wisconsin, Milwaukee, WI
04/2009 - 06/2012 Member, Discharge Committee, Children's Wisconsin, Milwaukee, WI
07/2010 - 06/2012 Member, Hand-Off Committee, Children's Wisconsin, Milwaukee, WI
07/2017 - Present Co-Director, Pediatric Inflammatory Bowel Disease, Children's Wisconsin, Milwaukee, WI
03/2021 - Present Chief, Search Committee, Pediatric Gastroenterology, Medical College of Wisconsin,

Milwaukee, WI

HOSPITAL STAFF PRIVILEGES:

08/2008 - Present Children's Hospital of Wisconsin, 9000 W. Wisconsin Ave, Milwaukee, WI 53201
08/2008 - 2017 Bellin Health Hospital, 555 Redbird Circle, DePere, WI 54115
2017 - Present Prevea Health

SPECIALTY BOARDS AND CERTIFICATION:

<u>Board Certified</u>	<u>Issue Date</u>	<u>Expiration</u>
General Pediatrics	01/08/2007	12/31/2013
Pediatric Gastroenterology	11/16/2009	11/16/2016

<u>Licensure</u>	<u>Number</u>	<u>Issue Date</u>	<u>Expiration</u>
Wisconsin License	51914	07/10/2009	10/31/2025

AWARDS AND HONORS:

06/12/2011 Medical Student Teacher of the Year, Department of Pediatrics
2014 Recipient of MCW Teaching Pin-Preparing for Internship, Medical College of WI
2015 Department of Family & Community Medicine Education Project Award-Block B Thread Curriculum, Medical College of WI
2016 Recipient of MCW Teaching Pin-Continuing Professional Development, Medical College of WI
2018 Receipt of Best Doctors in America award, Medical College of WI
2019 - 2020 Recipient of MCW Teaching Pin-Gastrointestinal-Nutrition [INTE-D2206], Medical College of WI
2020 Alpha Omega Alpha Induction, Medical College of WI

MEMBERSHIPS IN HONORARY AND PROFESSIONAL SOCIETIES:

07/2002 - 06/2010 American Academy of Pediatrics (Member)
07/2005 - Present North American Society for Pediatric Gastroenterology, Hepatology, (Member)
07/2005 - Present American Gastroenterological Society (Member)
2011 - 2020 Council on Medical Student Education in Pediatrics (Member)
2018 - Present MCW Society of Teaching Scholars
2020 - Present Alpha Omega Alpha (Member)

LOCAL/REGIONAL APPOINTED LEADERSHIP AND COMMITTEE POSITIONS:

07/2002 - 06/2005 Member, Housestaff Advisory Committee, Cardinal Glennon Children's Hospital, Saint Louis University School of Medicine
07/2002 - 06/2003 Member, Residency Interview Committee, Cardinal Glennon Children's Hospital, Saint Louis University School of Medicine
2013 - Present Member, Wisconsin Chapter Executive Board Member, Crohn's & Colitis Foundation
2013 - Present Member, Community Medical Advisory Council, Crohn's & Colitis Foundation
07/2018 - 06/2019 Member, Leadership Academy, MCW/UWM, Milwaukee, WI

NATIONAL ELECTED/APPOINTED LEADERSHIP AND COMMITTEE POSITIONS:

06/2006 - 06/2011 Member, Ethics Committee, North American Society for Pediatric Gastroenterology, Hepatology, and Nutrition
08/2019 - Present Member, Oversight Committee for RADAR grant, PROKIIDS

RESEARCH GRANTS/AWARDS/CONTRACTS/PROJECTS:

Active

Peer Review

Title:

A Multicenter, Prospective, Long-term, Observational Registry of Pediatric

	Patients with Inflammatory Bowel Disease
Source:	Centocor, Inc
Role & Effort:	Principal Investigator
Dates:	05/2007 - 09/2021
Direct Funds:	\$891,855
Title:	Risk Stratification and Identification of Immunogenetic and Microbial Markers of Rapid Disease Progression in Children with Crohn's Disease
Source:	Emory University, Primary, CCFA Crohn's and Colitis Foundation
Role & Effort:	Principal Investigator
Dates:	07/2012 - 12/2020
Direct Funds:	\$50,035
Title:	CAPE-A Long-Term Non-Interventional Registry to Assess Safety and Effectiveness of Humira (Adalimumab) in Pediatric Patients with Moderately to Severely Active Crohn's Disease
Source:	AbbVie
Role & Effort:	Principal Investigator
Dates:	06/2015 - 07/2021
Direct Funds:	\$77,833
Title:	RADAR - Pharmacodynamic Targets to Enrich a Personalized Infliximab Dosing Dashboard
Source:	Cincinnati Children's Hospital Medical Center, Primary, Crohn's & Colitis Foundation
Role & Effort:	Principal Investigator
Dates:	01/2019 - 12/2021
Direct Funds:	\$2,280
Title:	ENVISION Precision Crohn's Disease Management Utilizing Predictive Protein Panels
Source:	Cincinnati Children's Hospital Medical Center - Primary, The Leona M & Harry B. Charitable Trust
Role & Effort:	Principal Investigator
Dates:	03/2019 - 02/2022
Direct Funds:	\$31,374

Pending
Peer Review

Title:	Precise Infliximab Exposure and Pharmacodynamic Control to Achieve Deep Remission in Pediatric Crohn's Disease
Source:	Cincinnati Children's Hospital Medical Center, Primary, NIH RO1
Role & Effort:	Principal Investigator

Dates: 04/2022 - 03/2027
Direct Funds: \$91,266

Peer Review

Title: A SUB-I: Students Undergoing a Bridge to Internship – An Educational Model
Source: Medical College of WI: Learning Resources Fund Department of Family Medicine

Role & Effort: Principal Investigator
Dates: 05/24/2010
Direct Funds: \$11,843

Title: Paneth Cells, the Microbiome and Crohn's Disease Susceptibility
Source: Crohn's and Colitis Foundation of America

Role & Effort: Site Co-Investigator
Dates: 01/2011 - 03/2014
Direct Funds: \$846,650

Title: PROTECT-Predicting Response to Standardized Pediatric Colitis Therapy
Source: Connecticut Children's Medical Center- NIH NIDDK

Role & Effort: Principal Investigator
Dates: 07/2012 - 04/2017
Direct Funds: \$21,342

Title: A Study of the Human Anti-TNF Monoclonal Antibody Adalimumab to Evaluate the Tolerability of Repeated Administration of Adalimumab in Pediatric Subjects with Crohn's Disease who have demonstrated a clinical response in the M06-806 Study

Source: Abbott Laboratories
Role & Effort: Principal Investigator
Dates: 10/2012 - 06/2016
Direct Funds: \$59,484

Title: Entocort-A Multicenter, Open label, Non-comparative Study to Evaluate the Safety of Entocort EC for the Treatment of Crohn's Disease in Paediatric Subjects Aged 5 to 17 Years, Inclusive (D9422C00001)

Source: Astra Zeneca
Role & Effort: Principal Investigator
Dates: 10/2012 - 09/2014
Direct Funds: \$2,400

Title: Entocort-A Multicenter, Open label, Non-comparative Study to Evaluate the Safety of Entocort EC as a Maintenance

Source:	Treatment For Crohn's Disease in Pediatric Subjects Aged 5 to 17 Years, Inclusive (D9422C00002)
Role & Effort:	Astra Zeneca
Dates:	Principal Investigator
Direct Funds:	10/2012 - 09/2014
	\$2,400
Title:	The Introduction of SAFETIPS on the Pediatric Clerkship Improves Skill and Confidence Level with Patient Hand-Off
Source:	Medical College of WI-Learning Resources Fund Department of Family Medicine
Role & Effort:	Co-Investigator
Dates:	07/2013 - 06/2014
Direct Funds:	\$4,150
Title:	VEOIBD - Defining Very Early Onset IBD
Source:	SickKids Hospital for Sick Children, Toronto
Role & Effort:	Principal Investigator
Dates:	01/2016 - 06/2017
Direct Funds:	\$1,800
Title:	REFINE - Targeting the Inflammatory Signature to Personalize Biologics in Pediatrics Crohn's
Source:	Cincinnati Children's Hospital Medical Center, Primary Crohn's & Colitis Foundation
Role & Effort:	Principal Investigator
Dates:	07/2017 - 12/2019
Direct Funds:	\$6,639

COMMITTEE SERVICE:

Medical College of Wisconsin

- 08/2008 - 07/2010 Member, Intern Selection Committee, Medical College of Wisconsin
- 09/2009 - 2015 Member, Residency Education Committee, Medical College of Wisconsin
- 2012 - 2015 Member, Preparing for Internship Steering Committee, Medical College of WI
- 2014 Member, Intern Selection Committee, Medical College of WI

2017 - Present Member, Faculty Development Steering Committee-Education, Medical College of WI
2017 - 2021 Member, Admissions Committee, Medical College of WI
06/2019 - Present Member, Promotions Committee, Department of Pediatrics, Medical College of WI

MCW TEACHING ACTIVITIES:

Medical Student Education

07/2010 - 12/2014 Head to Toe Physical Exam Objective Structured Clinical Exam Occurs every 2 months, Teaching physical exam skills for an 8hour session
11/17/2010 Clinical Exam and Reasoning Course for M-2's
12/2010 Teaching Attending including History & Physical Exam Reviewer Spend 4 hours/week reviewing common Topics with M3s on the ward team, along with reading editing 4 H&P documents / week
01/2011 Teaching Attending including History & Physical Exam Reviewer Spend 4 hours/week reviewing common Topics with M3s on the ward team, along with reading editing 4 H&P documents / week
06/03/2011 M3 Milestones, 1 hour interactive session on pediatric developmental milestones
06/22/2011 M3 Board Review, 1 hour interactive session on common LCME subject exam topics
06/2011 - 06/2013 Procedural and Non-Procedural OSCEs and Feedback for Pediatric Sub-Interns, Monthly hour-long interactive sessions teaching lumbar puncture & resuscitating an infant using simulation models, as well as evaluating and providing feedback on an M4s ability to handle professionalism & communication issues
06/2011 - 06/2013 Presentation Skills for Pediatric Sub-Interns, Monthly hour-long interactive sessions Teaching patient presentation skills
06/2011 - 06/2014 Transition to Clerkship Survival Skills, 4-8 hours annually leading M3 small group discussion of common issues during clerkships in course preparing students for their clerkships
08/17/2011 M3 Board Review, 1 hour interactive session on common LCME subject exam topics
10/12/2011 M3 Board Review, 1 hour interactive session on common LCME subject exam topics
01/11/2012 Individual Learning Plan for Medical Students, 1 hour interactive small group session teaching career development / decision making, along with work-life balance
01/20/2012 M3 Milestones, 1 hour interactive session on pediatric developmental milestones
02/15/2012 M3 Board Review, 1 hour interactive session on common LCME subject exam topics
02/22/2012 Individual Learning Plan for Medical Students, 1 hour interactive small group session teaching career development / decision making, along with work-life balance
03/02/2012 M3 Milestones, 1 hour interactive session on pediatric developmental milestones
03/07/2012 Individual Learning Plan for Medical Students, 1 hour interactive small group session teaching career development / decision making, along with work-life balance
03/2012 Teaching Attending including History & Physical Exam Reviewer Spend 4 hours/week reviewing common Topics with M3s on the ward team, along with reading editing 4 H&P documents / week
04/11/2012 Individual Learning Plan for Medical Students, 1 hour interactive small group session teaching career development / decision making, along with work-life balance
04/2012 - 04/2014 (Later renamed Discovery Curriculum Pediatric Physical Exam Skills) Teaching pediatric physical exam skills for an 8hour session. Renamed session is annual 8hour session
06/2012 - 06/2013 Integration Rounds for M3s, Weekly 1 hour interactive sessions discussing common in-patient diagnosis their differential diagnosis, and management
01/2015 - 2021 (Annually) Infectious Diarrhea M2 Lecture
2017 - 2020 Every 2 weeks Starting summer, NBME Review Course for Pediatric Clerkship

Resident and Fellow Education

11/09/2010 GI Fellow's Walker Conference, 1 hour interactive conference with fellows covering gastroenterology topics
04/29/2011 Inflammatory Bowel Disease Board Review Pediatric Resident Noon Conference, MCW, 1 hour didactic covering general pediatric diagnosis and management with inflammatory bowel disease
05/24/2011 GI Fellow's Walker Conference, 1 hour interactive conference with fellows covering gastroenterology topics
07/20/2011 - Present Management of a Gastrointestinal Bleed Lecture Annual 1 hour didactic for pediatric residents covering diagnosis and management of gastrointestinal bleeding
03/23/2012 Spring Intern Objective Structured Clinical Exams (OSCE) - aka "GULPS", 4 hour OSCE evaluating and providing feedback to interns for care transitions

- 09/2012 Residents as Teachers workshop, 1 hour didactic for pediatric residents teaching how they can be effective mentors & teachers for medical students
- 09/2013 Residents as Teachers workshop, 1 hour didactic for pediatric residents teaching how they can be effective mentors & teachers for medical students
- 09/16/2015 Inflammatory Bowel Disease Board Review Pediatric Resident Noon Conference, MCW, 1 hour didactic covering general pediatric diagnosis and management with inflammatory bowel disease
- 02/2017 M2 GI-Nutrition Unit - Breakfast Club, Led a 4 hour Problem Based learning session on nutrition and its impact on the GI system
- 02/2017 M3 GI Shelf Review - MCW Green Bay, 1 hour didactic covering NBME GI topics for M3's on their pediatric clerkship

Community/Lay Public

- 03/2012 Inflammatory Bowel Disease Family Forum, 4 hour interactive educational session for families of inflammatory bowel disease

MCW STUDENTS, FACULTY, RESIDENTS AND CLINICAL/RESEARCH FELLOWS MENTORED:

Medical Students

- 04/21/2010 - Present Dr. Jon Ramprasad, Supervised medical student lecture on GI diseases, MCW
- 07/2011 - 07/2014 Rachel Kochert, Intern Advisor, MCW
- 01/2012 - 06/2014 Maheen Siddiqi, Medical Student Advisor, MCW
- 07/2012 - 06/2013 Stephanie Wu, Intern Advisor, MCW
- 07/2012 - 06/2013 Katie Cohen, Intern Advisor, MCW
- 01/2014 - 06/2015 Perry Krumenacher, Medical Student Advisor, MCW
- 07/2015 - 06/2016 Irene Poulidian, Medical Student Advisor, MCW
- 07/2015 - 06/2016 Grace Hendrix, Medical Student Advisor, MCW
- 07/2016 - 05/2018 Ashleigh Watson, Medical Student Advisor, MCW
- 07/2016 - 05/2018 William Hollabough, Medical Student Advisor, MCW
- 04/06/2019 Dr. Kyle Jensen, Supervised medical student lecture on GI diseases, MCW

Clinical/Research Fellows

- 07/2021 - Present Brianna McSorley, Fellow advisor, MCW

Residents

- 07/2010 - 06/2011 Alisha Mavis, Mentored as a resident in preparation for a career in pediatric gastroenterology, MCW
- 12/09/2011 Casey Cordts, Mentored as a resident in preparation for career in pediatric gastroenterology, MCW
- 07/2015 - 06/2016 Kent Rosenwald, Resident Advisor, MCW
- 07/2017 - 06/2020 Yitong Liu, Resident Advisor, MCW

PROGRAMMATIC DEVELOPMENTS:

Educational Programs

Student

- 07/2010 - 06/2012 SUB-I: Students Undergoing a Bridge to Internship – An Education Model consisting of a series of workshops teaching systems development to 4th year medical for the intern year.
- 12/17/2010 Clinical Curriculum Model. This half-day meeting involved developing a proposed model for the clinical portion of the medical student curriculum. This proposal was designed for the DEIAC
- 07/2012 - 2019 Purple Team GI Curriculum – Daily interactive didactic program that repeats every month for approximately 3 medical students and 3 house officers
- 07/2012 How to Ace an OSCE. This podcast coupled with a mock OSCE is designed to teach students the format of the new USMLE Step 2CS exam and optimize their outcome.
- 06/2013 - 2020 Seeds to Trees – An interactive orientation for the incoming 24 interns to disseminate & practice proper evaluation & feedback techniques of medical student mentees using a competitive format.
- 06/2014 - 06/2016 Block B Thread Curriculum, A cross-disciplinary/departmental educational series of

didactics, team-based-learning, problem-based learning for M3s lead of pediatrics, family medicine, and psychiatry.

06/2017 - 01/2020 Pediatric Clerkship NBME Review Course – A departmental-based curriculum to prepare M3s for the pediatric NBME subject exam

Resident

07/2010 - 06/2011 General pediatric gastroenterology weekly topics for residents. This series of interactive sessions lasting 30 minutes involves educating residents on general GI topics.

Clinical Programs

Faculty

04/21/2010 Capsule endoscopy course developed with Dr. Neel Tipnis & Dr. Richard Noel for 16 pediatric gastroenterology faculty and 6 GI fellows at CHW

COMMUNITY SERVICE ACTIVITIES:

10/2006 - 12/2008 Founder of Foodmachine, An international canned food drive using a tabletop miniature game as the impetus for players to donate canned goods.

08/2008 Camp Oasis, Volunteered on medical staff for this week-long camp for children with inflammatory bowel disease

08/2010 Camp Oasis, Volunteered on medical staff for this week-long camp for children with inflammatory bowel disease

08/2011 Camp Oasis, Volunteered on medical staff for this week-long camp for children with inflammatory bowel disease

08/2012 Camp Oasis, Volunteered on medical staff for this week-long camp for children with inflammatory bowel disease

08/2014 Camp Oasis, Volunteered on medical staff for this week-long camp for children with inflammatory bowel disease

08/2015 Camp Oasis, Volunteered on medical staff for this week-long camp for children with inflammatory bowel disease

2015 - 2018 Medical Director-Camp Oasis

08/2016 Camp Oasis, Volunteered on medical staff for this week-long camp for children with inflammatory bowel disease

02/2017 Nathan Hale High School Career Fair, 2 hour didactic mixed with Q&A of the career development of being a physician

02/2017 Inflammatory Bowel Disease - Facebook Live 30 minute live Q&A session for the community detailing IBD

08/2017 Camp Oasis, Volunteered on medical staff for this week-long camp for children with inflammatory bowel disease

08/2019 Camp Oasis, Volunteered on medical staff for this week-long camp for children with inflammatory bowel disease

07/2022 Camp Oasis, Volunteered on medical staff for this week-long camp for children with inflammatory bowel disease

Database, Video, or Other Research/Clinical Contributions

1. Noe JD, Jensen K. Pediatric Gastroenterology Out-patient Review. Series of interactive Powerpoint modules covering commonly encountered conditions presented to the residents passing through the out-patient pediatric gastroenterology elective. 2009. Slide set available at the Medical College of Wisconsin Division of Pediatric Gastroenterology.
2. Noe JD, Tipnis S. Calling a Consultation – A peer-to-peer workshop created to educate 4th year medical students the proper techniques in calling a subspecialist for a consultation. 2011. Materials available at the Medical College of Wisconsin Division of Medical Education.
3. Noe JD, Tipnis S. Presenting Succinctly – A peer-to-peer workshop created to educate 4th year medical students the proper techniques in presenting a patient during rounds or transfer of care. 2011. Materials available at the Medical College of Wisconsin Division of Medical Education.
4. Noe JD, Goday PS. Purple Team GI Curriculum - Daily interactive didactic program that repeats every month for medical students and house officers to cover the ABP content outline for pediatric gastroenterology. 2012. Slide set available at the Medical College of Wisconsin Division of Pediatric

Gastroenterology.

5. Noe JD. How to Ace an OSCE - This podcast coupled with a mock OSCE is designed to teach students the format of the new USMLE Step 2CS exam and optimize their outcome. 2012. Podcast available at the Medical College of Wisconsin Division of Medical Education.
6. Noe JD, Okun A, Cleppe V. Seeds to Trees - An interactive orientation for incoming interns using a competitive format modeled after the Apples to Apples board game to disseminate & practice proper evaluation & feedback techniques of medical student mentees using a competitive format. Slide sets available at the Medical College of Wisconsin Division of Medical Education.
7. Noe JD. Infectious diarrhea "detective" module - A problem-based module using a puzzle-solving deduction system to reinforce common etiologies, treatments, and sequelae of infectious diarrhea for medical students.
8. Watson A, Noe JD. Extraintestinal Manifestations of Inflammatory Bowel Disease - An online, interactive simulation designed for gastroenterology fellows, primarily pediatrics, to disseminate the pathophysiology of extraintestinal manifestations of inflammatory bowel disease
