

CURRICULUM VITAE

Patrick P. Sanvanson MD

**Associate Professor
Department of Medicine
Division of Gastroenterology**

OFFICE ADDRESS:

Hub for Collaborative Medicine
8701 Watertown Plank Road
Milwaukee, WI 53226

EDUCATION:

- 05/2003 B.S., Biochemistry, University of Illinois at Chicago, Chicago, IL
- 05/16/2008 M.D., Medical College of Wisconsin, Milwaukee, WI

POSTGRADUATE TRAINING AND FELLOWSHIP APPOINTMENTS:

- 06/2008 - 06/2011 Resident, Internal Medicine, Washington University in St. Louis/Barnes-Jewish Hospital, St. Louis, MO
- 07/2011 - 06/2014 Gastroenterology and Hepatology NIH-Funded T32 Fellowship, Gastroenterology & Hepatology, Medical College of Wisconsin, Milwaukee, WI

FACULTY APPOINTMENTS:

- 07/2014 - 06/30/2021 Assistant Professor, Medicine, Gastroenterology & Hepatology, Medical College of Wisconsin, Milwaukee, WI
- 07/01/2021 - Present Associate Professor, Medicine, Gastroenterology & Hepatology, Medical College of Wisconsin, Milwaukee, WI

ADMINISTRATIVE APPOINTMENTS:

- 08/2018 - Present Innovation Lead for Division of GI: Innovation leads facilitate the transfer of ideas and information back and forth between Inception Health and operations/research leaders within their Division, Medicine, Gastroenterology and Hepatology, Medical College of Wisconsin, Milwaukee, WI
- 01/2020 - 01/2022 Secretary/Treasurer, Milwaukee Gastroenterological Society, Milwaukee, WI
- 01/2023 - Present President, Milwaukee Gastroenterological Society, Milwaukee, WI

RESEARCH ADMINISTRATIVE APPOINTMENTS:

- 2019 - 2023 Associate Director, Neurogastroenterology, Motility, and Airway Protections Research Laboratory, Medicine, Gastroenterology and Hepatology, Medical College of Wisconsin, Milwaukee, WI
- 2019 - Present Director of the Edmund M. Barbour, MD Endowed Research Fellowship: Research focused GI fellowship position, Medicine, Gastroenterology and Hepatology, Medical College of Wisconsin, Milwaukee, WI
- 01/01/2023 - Present Director, Neurogastroenterology, Motility, and Airway Protections Research Laboratory, Medical College of Wisconsin, Milwaukee, WI, Medicine, Gastroenterology and Hepatology, Medical College of Wisconsin, Milwaukee, WI

HOSPITAL STAFF PRIVILEGES:

- 07/2014 - Present Froedtert Hospital, Milwaukee, WI
- 07/2014 - Present Clement J. Zablocki VA Medical Center, Milwaukee, WI
- 07/2014 - Present Froedtert Surgery Center, Milwaukee, WI

SPECIALTY BOARDS AND CERTIFICATION:

<u>Board Certified</u>	<u>Issue Date</u>	<u>Expiration</u>
Internal Medicine	2011	2021
Gastroenterology	2014	2024

<u>Licensure</u>	<u>Number</u>	<u>Issue Date</u>	<u>Expiration</u>
State of Wisconsin	56362-20	09/29/2011	10/31/2023

AWARDS AND HONORS:

12/1999 - 05/2003 College of Liberal Arts & Sciences Dean's List, University of Illinois at Chicago
05/2000 Induction in the National Society of Collegiate Scholars, The National Society of Collegiate Scholars
12/2001 - 05/2003 Honors College Dean's Honor Roll, University of Illinois at Chicago
05/2002 Induction in the Golden Key International Honour Society, Golden Key International Honour Society
04/2003 Phi Kappa Phi Honors Society
04/2003 Phi Beta Kappa Honors Society
05/2003 College of Liberal Arts & Sciences Honors, University of Illinois at Chicago
05/2003 Graduated with Highest Distinction in Biochemistry, University of Illinois at Chicago
05/2005 - 05/2008 National Heart, Lung, and Blood Institute/National Institutes of Health Research Fellowship Grant, Medical College of Wisconsin
03/18/2016 Best Poster Award in the category of Early Career Faculty – Basic or Translational Research, Department of Medicine Research Retreat, Medical College of WI
06/2017 Certificate of Recognition for Scientific Accomplishment as an Early Career Investigator , Digestive Disease Week
2017 - 2018 MCW Outstanding Medical Student Teacher Pin, Medical College of Wisconsin
06/2018 Certificate of Recognition for Scientific Accomplishment as an Early Career Investigator , Digestive Disease Week
2018 - 2019 MCW Outstanding Medical Student Teacher Pin, Medical College of Wisconsin

MEMBERSHIPS IN HONORARY AND PROFESSIONAL SOCIETIES:

2014 - Present American Gastroenterological Association (Member)
2015 - Present Milwaukee Gastroenterological Society (Member)
01/2020 - 01/2022 Milwaukee Gastroenterological Society (Secretary/Treasurer)
01/2022 - Present Milwaukee Gastroenterological Society (President)

EDITORSHIPS/EDITORIAL BOARDS/JOURNAL REVIEWS:

Journal Review
2016 - Present Archives of Physical Medicine and Rehabilitation
2017 - Present Diseases of the Esophagus
2019 - Present American Journal of Physiology-Gastrointestinal and Liver Physiology
2020 - Present Dysphagia

RESEARCH GRANTS/AWARDS/CONTRACTS/PROJECTS:**Active****Peer Review**

Title: Deglutitive and Airway Protective Functions of Proximal/Striated Muscle Esophagus in Health and Disease
Source: NIH/NIDDK R01 DK132082
Role: CO-I
Dates: 04/20/2022 - 02/28/2026

Prior

Peer Review

Title: Neuromolecular Mechanisms of Chronic Pelvic Pain in Neonatally-induced Cystitis
Source: NIH
Role: Multi-Principal Investigator
Dates: 09/01/2018 - 05/31/2022
Direct Funds: \$668,235 (Per Year)

INVITED LECTURES/WORKSHOPS/PRESENTATIONS:

Local

Esophageal Acid-Related Sensory Physiology: "Why Do I Have Heartburn?", Medicine Grand Rounds, Medical College of Wisconsin, 02/06/2015
Approach to Chronic Abdominal Pain, "State of the Gut" An Update on Gastrointestinal Disorders, Milwaukee, WI, 09/18/2015
Esophageal Disorders, "State of the Gut" An Update on Gastrointestinal Disorders, Milwaukee, WI, 09/30/2016
Dysphagia in the Elderly, Medical College of Wisconsin Division of Geriatrics/Gerontology Research Seminar, Milwaukee, WI, 10/28/2016
Functional Abdominal Pain, "State of the Gut" An Update on Gastrointestinal Disorders, Milwaukee, WI, 09/29/2017
GERD and Effect on Sleep, Sleep Medicine Grand Rounds, Medical College of Wisconsin, 02/23/2018
Esophageal Disorders Including GERD, "State of the Gut" An Update on Gastrointestinal Disorders, Milwaukee, WI, 09/28/2018
Functional Disorders, 2018 Digestive Disease Week Meeting Review, Milwaukee, WI, 09/29/2018
GERD, Medical Management and Diagnostic Procedures, Word on Medicine Radio Show, WISN Studios, Milwaukee WI, 04/13/2019
Eosinophilic Esophagitis: Gastroenterologist's Perspective, Allergy/Immunology Grand Rounds, Children's Hospital of Wisconsin, Milwaukee, WI, 04/26/2019
Approach to the Patient with Dysphagia, "State of the Gut" An Update on Gastrointestinal Disorders, Milwaukee, WI, 09/13/2019
Functional Disorders, 2019 Digestive Disease Week Meeting Review, Milwaukee, WI, 09/14/2019
Ranitidine Recall, Word on Medicine Radio Show, WISN Studios Milwaukee, WI, 10/12/2019
"Alteration of Anterior Cingulate Functional Connectivity following Colorectal Distension in Rats Exposed to Early Adverse Life Events", Monday Night Gastroenterology Conference, Medical College of Wisconsin, 05/04/2020
Eosinophilic Esophagitis: Approaches to Management and Future Directions, Medicine Grand Rounds, Medical College of Wisconsin, 04/16/2021

National

Interplay of Spinal and Vagal Pathways on the Esophageal Acid-Related Anterior Cingulate Cortex Functional Networks in Rats, Digestive Disease Week, Chicago, IL, 05/06/2017
Impact of Esophageal Acid Exposure on the Periaqueductal Gray Functional Networks in Rats: an fMRI Study, Digestive Disease Week, Washington DC, 06/04/2018
Live demonstrations from the Froedtert & the Medical College of Wisconsin: Pharyngeal manometry and UES stress test – an emerging technique, 13th Postgraduate Course on Gastrointestinal Motility and Neurogastroenterology in Clinical Practice, Milwaukee, WI, 07/27/2018
Case Presentations and Expert Opinions: Challenging Problems in GERD, 13th Postgraduate Course on Gastrointestinal Motility and Neurogastroenterology in Clinical Practice, Milwaukee, WI, 07/28/2018

COMMITTEE SERVICE:

Medical College of Wisconsin

10/2014 - Present Reviewing Fellowship Applications and Interviewing Prospective Applications, Fellowship Program, Gastroenterology & Hepatology, Medical College of Wisconsin
2014 - 2017 Interview Prospective Internal Medicine Residents, Internal Medicine Residents,

Gastroenterology & Hepatology, Medical College of Wisconsin
2018 - Present Fellowship Program Evaluation Committee, Gastroenterology & Hepatology, Medical College of Wisconsin
07/2019 - Present Participant, CTSI Incontinence Ensemble, Medical College of Wisconsin
05/2022 - Present GI Physician Advisory Workgroup, Clinical Committee of Froedtert and Medical College of Wisconsin
07/2022 - Present Standing Member of the MSSRP (Medical Student Summer Research Program) Advisory Committee, Medical College of Wisconsin

MEDICAL COLLEGE TEACHING ACTIVITIES:

Medical Student Education

01/26/2016 M2 GI/Nutrition Course: Case-Based Discussion Session "The Breakfast Club"
08/2017 - 12/2017 Brandy Norman, Clinical Apprenticeship
01/2018 - 12/2018 Matthew Hadiono: Clinical Apprenticeship
01/03/2019 M2 GI and Nutrition Subunit: Esophagus: Clinical Correlation
01/03/2019 M2 GI and Nutrition Subunit: Esophageal Disorders Overview: Dysphagia/Motility
01/03/2019 M2 GI and Nutrition Subunit: Esophageal Motor Disorders
01/03/2019 M2 GI and Nutrition Subunit: Esophagus: Esophagitis & GERD
01/03/2019 M2 GI and Nutrition Subunit: Esophagus: Barrett's & Neoplasia
01/2019 - 12/2019 Quinn Mallery: Clinical Apprenticeship
01/03/2020 M2 GI/Nutrition Unit: Interactive Clinical Correlations: Esophagus
01/2020 - Present Laura Grogan: Clinical Apprenticeship
01/05/2021 GI and Nutrition Unit: Interactive Clinical Correlation-Esophagus
01/05/2022 M2 GI and Nutrition Unit: Interactive Clinical Correlation-Esophagus
01/05/2022 M2 GI and Nutrition Unit: Podcast open study: Esophagus
01/05/2023 M2 GI and Nutrition Unit: Podcast open study: Esophagus
01/05/2023 M2 GI and Nutrition Unit: Interactive Clinical Correlation-Esophagus

Resident and Fellow Education

12/16/2015 Academic Half Day Lecture: Diarrhea/Constipation
12/21/2016 Academic Half Day Lecture: Esophageal Disorders and PUD
12/13/2017 Academic Half Day Lecture: Esophageal Disorders
12/05/2018 Academic Half Day Lecture: Esophageal Disorders/Dysphagia
11/07/2019 Fellowship Board Review: GERD and Eosinophilic Esophagitis
12/04/2019 Academic Half Day Lecture: Esophageal Disorders
08/05/2020 Fellowship Board Review: Approach to Eosinophilia on Esophageal Biopsies, Standard of care and future therapies for EoE
01/06/2021 Academic Half Day Lecture: Esophageal/Gastric Disorders
03/31/2021 Academic Half Day Lecture: Esophageal Disorders
04/07/2021 Fellowship Board Review: Contemporary Review of PPI therapy
11/03/2021 Fellowship Board Review-GERD and EoE
12/01/2021 Academic Half Day Lecture: Functional Bowel Disease
12/08/2021 Academic Half Day Lecture: Esophageal Disorders
11/16/2022 Academic Half Day Lecture: Functional Bowel Disease
12/14/2022 Academic Half Day Lecture: Esophageal Disorders

MCW STUDENTS, FACULTY, RESIDENTS AND CLINICAL/RESEARCH FELLOWS MENTORED:

Medical Students

Michael Sobin, Medical College of Wisconsin, 08/2016 - 05/2020 Research, Resulted in summer research funding, abstract/poster at a national meeting, submitted manuscript, and Honors in Research
Alex Kerschner, Medical College of Wisconsin, Research

Clinical/Research Fellows

Gokulakrishnan Balasubramanian, Medical College of Wisconsin, 07/2014 - 06/2016 T32 Research Fellow, Resulted in accepted manuscript, presentation at a national meeting, and faculty position at

Ohio State University
Francis Edeani, Medical College of Wisconsin, 07/2016 - 06/2020 T32 Research Fellow, Resulted in presentation at a national meeting, accepted abstracts, and faculty position at the Medical College of Wisconsin
Karlo Kovacic, Medical College of Wisconsin, 10/2017 - 06/2021 T32 Research Fellow, Resulted in accepted manuscripts at a national meeting and faculty position at Medical College of Wisconsin
Krupa Patel, Medical College of Wisconsin, 06/2019 - Present T32 Research Fellow, Resulted in accepted abstracts for a national meeting
Elliot Yu, Medical College of Wisconsin, 07/2020 - Present T 32 Research Fellow, Resulted in accepted manuscripts at a national meeting and faculty position at Medical College of Wisconsin
Hamza Hassan, Medical College of Wisconsin, 07/2021 - Present T 32 Research Fellow, Resulted in accepted manuscripts at a national meeting and faculty position at Medical College of Wisconsin

EXTRAMURAL STUDENTS, FACULTY, RESIDENTS, AND CLINICAL/RESEARCH FELLOWS MENTORED:

Undergraduate Students

Kalice Allen, St. Catherine University, DSHREP program, 06/2015 - 08/2015 Research, Resulted in a submitted abstract and presentation for the DSHREP program
Michael Sobin, University of Minnesota, 06/2015 - 08/2016 Research, Resulted in a submitted abstract, presentation at a local meeting, and acceptance into medical school
Kiara Patton, University of Michigan, DSHREP Program, 06/2016 - 12/2017 Research, Resulted in a submitted abstract and presentation for the DSHREP program
