

CURRICULUM VITAE

Michael Kron MD

**Director, Professor
Department of Medicine
Division of Infectious Disease**

OFFICE ADDRESS:

Clinical Cancer Center
9200 W Wisconsin Ave
Milwaukee, WI 53226

EDUCATION:

1972 - 1976 BSc., University of Notre Dame; Notre Dame, IN
1976 - 1980 M.D., Northwestern University School of Medicine; Chicago, IL
MSc

POSTGRADUATE TRAINING AND FELLOWSHIP APPOINTMENTS:

1980 - 1983 Internship and Residency, Northwestern Memorial Hospital; Dept of Medicine, Chicago, IL
1980 Government General Hospital; Clinical Clerkship in General medicine under Dr. K.V. Thiruvengadam,
Chief of Medicine, Chennai (Madras), India
1983 - 1984 MSc. Clinical Tropical Medicine Program, London School of Tropical Medicine, University of
London, UK
1985 - 1989 Clinical and Research Fellow, University Hospitals, Case Western Reserve University and Wade
Park VA Hospital, Division of Infectious Diseases and Geographic Medicine, Cleveland, OH

FACULTY APPOINTMENTS:

1983 - 1984 Consulting Assistant Professor, N.I.H. Sudan Medical Parasitology Research Program Project
Grant; Michigan State University, Dept. of Microbiology, MI
1987 Clinical Research Instructor with Dr. Bruce Greene (Case Western Reserve University), Liberia
1989 - 1993 Assistant Professor (joint appointment) Dept. of Pathology, MSU, MI
1989 - 1996 Assistant Professor, Department of Medicine, Michigan State University, MI
1990 - 1999 Adjunct professor, the University of Guayaquil and National Vector Borne Disease, Control
Program, Ecuador
1991 - 2005 Core Faculty (MSU): Latin American & Caribbean Studies Center; Genetics Program, and the
IIH, MI
1991 - 2005 Staff Physician Sparrow Hospital and Ingham Medical Centers, MI
1993 - 1994 Consultant; Molecular Biology Core Unit; NIH-Brown University Tropical Medicine Research
Center Program Grant (TMRC); Manila, Philippines
1994 - 1995 Visiting Scientist, Department of Biochemistry, Michigan State University, MI
1996 - 2001 Associate Professor, Dept. of Medicine, Michigan State University, MI
1997 - 2000 Visiting Professor, College of Medicine, University of Guayaquil, Ecuador
2001 Professor, Division of Infectious Diseases, MSU, MI
01/2004 Tenure, College of Human Medicine, Michigan State University, MI
10/2004 - 2005 Director, Institute of International Health (IIH), Michigan State University (MSU), MI
2004 - Present Adjunct Professor, University of the Philippines, Dept. of Biochemistry and Molecular
Biology; Manila, Philippines
09/2005 - Present Director, Program in International Health for Dept of Medicine & Core faculty, MCW
Biotechnology and Bioengineering Center, WI
09/2005 Staff, Department of Medicine, Froedtert Hospital and Clinics, Milwaukee, WI

ADMINISTRATIVE APPOINTMENTS:

1984 Assistant Director, Admitting and Emergency Room Services, Wade Park VA Medical Center, Cleveland, OH
 1995 - 1998 Advisor, Michigan State University-Olin Health Center Travel Health and Immunization Clinics (MSU), MI
 2002 - 2003 Interim Chief, Division of Infectious Diseases, MSU, MI
 07/2003 - 2004 Acting Director, IIH, MSU, MI
 07/2004 - 2005 Director, Institute of International Health (IIH), MSU, MI

HOSPITAL STAFF PRIVILEGES:

09/2005 - Present Froedtert Memorial Lutheran Hospital, Milwaukee, WI

SPECIALTY BOARDS AND CERTIFICATION:

<u>Board Certified</u>	<u>Issue Date</u>	<u>Expiration</u>
National Board of Medical Examiners	1980	None
American Board of Internal Medicine	1983	None
Infectious Disease Specialty	1996	05/2019

<u>Certificates</u>	<u>Issued By</u>	<u>Issue Date</u>	<u>Expiration</u>
HERCULES (Higher European Research Course for Users of Large Experimental Stations)		09/2004	10/2004

<u>Licensure</u>	<u>Number</u>	<u>Issue Date</u>	<u>Expiration</u>
Illinois(valid,inactive)		1983	1991
Ohio License		1985	1995
Michigan License	4301055474	1996	2009
Wisconsin	49069	2006	2011

AWARDS AND HONORS:

1972 - 1976 Notre Dame Scholar, Academic Scholarship
 1976 Alpha Epsilon Delta, Honors Society
 1989 Finalist, Young Investigator Award, American Society of Tropical Medicine
 1991 - 1996 N.I.H. Physician - Scientist Award
 1992 - 1993 Visiting Scientist, Brown University, NIH, Tropical Disease Research Unit; Manila, Philippines
 1994 Finalist, American Assoc. Advancement of Science "Fellowship in Science and Diplomacy"
 1994 Assessor-Coordinator, Rural Primary Health Care in Esmeraldas Ecuador, by action of the Ecuadorian National Congress, Special Commission on Health
 1995 First place award Doctor as Photographer Competition, American College of Physicians
 1996 - 2002 5 patents awarded related to recombinant filarial and human tRNA synthetases
 1996 First Place, MSU Photography competition.
 1997 First Place, MSU Photography competition.
 1997 Phi Beta Delta, International Scholars Honors Society
 1997 Sigma Xi, Research Honors Society, MSU Chapter
 1998 International Studies Photography Competition, Second place, Faculty category
 2002 Sponsor for Winner of the Minority Research Forum Undergraduate Category-Angela Hendrick MIRT scholar and MSU Howard Hughes Undergrad Scholarship awardee (Michigan State University).
 2002 - 2003 MIRT Professor, Mentor Award for students working in the Philippines-International Studies
 2002 - 2003 Fellowship, International Human Frontiers in Science Program; Strasbourg, France.3-month

research project in collaboration with EMBL Grenoble: Structural biology of aminoacyl-tRNA synthetase; ligand complexes.
2007 Wisconsin ACP Mentor Recognition Award
FACP

MEMBERSHIPS IN HONORARY AND PROFESSIONAL SOCIETIES:

American College of Physicians
American Federation of Medical Research
American Society of Tropical Medicine and Hygiene

EDITORSHIPS/EDITORIAL BOARDS/JOURNAL REVIEWS:

Journal Review
PLOS Neglected Tropical Diseases
Journal of Diseases in Developing Countries
Journal of Molecular Biology
Journal of Travel Medicine
J Clinical Pharmacology
American Journal of Medicine
American Journal of Tropical Medicine and Hygiene
Trends in Parasitology
Journal of Infectious Diseases

LOCAL/REGIONAL APPOINTED LEADERSHIP AND COMMITTEE POSITIONS:

1989 MSU-Sparrow Hospital Community Pathology Planning Committee
06/1990 CME Accreditation Committee for American society of Parasitology; National Meeting
1990 MSU Medical Education Committee; Department of Pathology; Block II curriculum development group
1991 Science Advisory Committee, Representative of Cornell School to the Okemos Public School System
1991 N.I.H. - Basic Science Research Initiation Grant (BRSG) and All University Research Initiation (AURIG) Grant Review Committees, MSU
1992 AIDS/Zimbabwe Research Planning Committee. MSU
1993 Strategic Planning Committee for Lyme Disease. MSU
1993 USAID University Development Linkage Grant Committee: Michigan State University -Ecuador Ad Hoc Research Review Committee; Research Advisory Council, College of Osteopathic Medicine
07/12/1994 Michigan Health and Environment Scientific Advisory Committee: Advisory board for the use of biological control agents in the human living environment.
2000 External review of the Institute of International Health, MSU
2000 - 2003 Medical Grand Rounds Speaker Selection Committee; Department of Medicine, MSU
05/2002 - 2004 MSU University of Biosafety Committee
05/2002 - 2004 MSU University Advisory Committee to Center for Latin American and Caribbean Studies Center
05/2002 - 2004 MSU University Advisory Committee representative for the International Health Institute (IIH)
05/2002 - 2004 MSU Credentialing committee, MSU Health Team, Faculty Group Practice

NATIONAL ELECTED/APPOINTED LEADERSHIP AND COMMITTEE POSITIONS:

05/1993 USA Coordinator, International Congress of Tropical Medicine and Parasitology; Guayaquil, Ecuador.
1998 - 1999 American Federation of Medical Research (AFMR) Infectious Diseases subcommittee.
1998 - 2007 Member, product development group, World Health Organization; Geneva, Switzerland
1999 - 2001 AFMR Public Policy Committee.
2001 - 2002 NIH-Minority International Research Training Scholars Program (Valentine Nforsam, Tricia Punsulan and Richard Ferguson, 2001. Angela Henrick, Kyordea Kemp, Maddona Madeles, and Don Custodio, 2002; Additional 27 students participating in program between 2002-2005)
10/2002 NIAID special emphasis study section. Novel Partnerships for Anti-infective, Diagnostics and Vector Control Strategies.
12/2002 NIAID special emphasis study section; Program Project Grant review-Arming the Immune System against Agents of Bioterrorism

10/2003 NIH-Fogarty International Center Minority International Research Training Program study section.
 12/2003 NIH-NIAID Tropical Disease Research Unit Program Project Study section
 2003 - 2004 University of the Philippines, Dept. of Biochemistry and Molecular Biology, external reviewer for PhD Advisory Committees and MS Advisory Committees
 2003 - 2004 University of the Philippines, Dept. of Biochemistry and Molecular Biology (Leslie Dalmacio, MSc Candidate; Grace Yu, PhD Candidate; Badong Caoli, PhD. Candidate; Vito Butardo, MSc Candidate)
 2006 - 2007 Member, WHO Genomics & Drug Discovery advisory group
 2006 Ad hoc grant reviewer, Singapore Agency for Science and Technology Biomedical Research Council.

RESEARCH GRANTS/AWARDS/CONTRACTS/PROJECTS:

Prior

Peer Review

Title: Characterization of an antigen gene of possibly protective value from *Onchocerca volvulus*.
 Source: World Health Organization.
 Role: Post-doctoral fellow salary and research support in the laboratory of Bruce Greene, Division of Geographic Medicine; Case Western University.
 Dates: 1987 - 1989
 Direct Funds: \$75,000

Title: Sudan Parasitology Project, N.I.H. Program Project Grant.
 Source: NIH NIAID
 Role: Immunology and molecular biology of onchocerciasis, support for research supplies.
 Dates: 1989 - 1990
 Direct Funds: \$185,000 (yearly)

Title: "New Diagnostic Techniques for Lyme Disease".
 Source: MSU Foundation
 Role: P.I.
 Dates: 1989 - Present
 Direct Funds: \$12,327

Title: "Characterization of a genomic clone from *Onchocerca volvulus*"
 Source: Basic Science Research Initiation Grant
 Role: P.I.
 Dates: 1989 - 1990
 Direct Funds: \$6,900

Title: "Onchocerciasis in Ecuador"
 Source: All University Research Initiation Grant, Michigan State University.
 Role: P.I.
 Dates: 1991
 Direct Funds: \$8,990

Title: "Strengthening proficiency in Spanish"
 Source: International Studies and Programs,

Role:	Michigan State University. Foreign Language Capacity Grant (Spanish). P.I.
Dates:	1991
Direct Funds:	\$2,000
Title:	"Immune responses to Onchocerca volvulus in Ecuador".
Source:	N.I.H. Physician Scientist Award (K11)
Role:	Principal investigator
Dates:	1991 - 1996
Direct Funds:	\$471,000
Title:	International Studies and Programs, MSU
Source:	University Linkage Grant for University of Guayaquil/Ecuadorian officials to visit MSU campus for planning activities.
Role:	P.I.
Dates:	1992
Direct Funds:	\$45,000
Title:	"Expression and Crystal Structure Analysis of a Recombinant Filarial AsnRS."
Source:	State of Michigan, Biotech. Trust, Res Excellence Fund
Role:	Principal Investigator
Dates:	1993 - 1994
Direct Funds:	\$12,000
Title:	Visiting Scientist Grant
Source:	N.I.H. Brown University, Tropical Disease Research Unit; Manila, Philippines.
Role:	Principal Investigator
Dates:	1993 - 1994
Direct Funds:	\$50,000
Title:	Special Foreign Travel Grant, for Plane ticket/funds to support presentation at the Latin-American Congress of Tropical Medicine, Guayaquil, Ecuador.
Source:	International Studies and Programs (MSU)
Role:	Principal Investigator
Dates:	1993
Direct Funds:	\$1,500
Title:	Collaborative Research Travel Grant.
Source:	NATO
Role:	Principal Investigator
Dates:	1996 - 1999
Direct Funds:	\$9,000
Title:	"Neutralizing antibody to nematode

Source:	asparaginyl-tRNA synthetase (AsnRS)"
Role:	N.I.H. Physician Scientist Award (K11)
Dates:	Principal Investigator
Direct Funds:	1997 - 2002
	\$511,915
Title:	Training in Epidemiology in Community Settings
Source:	NIH training Grant for Clinical Research Development K30 HL-4113
Role:	Executive committee member (5% salary support) for translational research issues.
PI:	Dr. Nigel Panneth
Dates:	1999 - 2004
Direct Funds:	\$185,000 (year)
Title:	"Toward the design of an antiaminoacyl tRNA synthetase (aaRS) macrofilaricide"
Source:	W.H.O. Drug Development Grant
Role:	Principal Investigator
Dates:	2000 - 2004
Direct Funds:	\$220,000
Title:	"Detection of filarial aminoacyl tRNA synthetases"
Source:	N.I.H.-Fogarty International Research collaboration Award (FIRCA), Fogarty International Center.
Role:	Principal Investigator, Co-investigator is Bernadette Ramirez PhD, Vice Chair for Research, University of the Philippines, Manila.
Dates:	2000 - 2004
Direct Funds:	\$150,000
Title:	"Macrofilaricidal Aminoacyl tRNA Synthetase Inhibitors"
Source:	N.I.H. NIAID
Role:	Principal Investigator (UO1)
Dates:	07/2002 - 06/2008
Direct Funds:	\$3,200,000
Title:	Minority International Research Training
Source:	N.I.H. Fogarty International Center.
Role:	Program Director
Dates:	2002 - 2005
Direct Funds:	\$800,000
Title:	International Fellow: Travel fellowship, International Human Frontiers
Source:	Science Program
Role:	Principal Investigator
Dates:	2002 - 2003
Direct Funds:	\$6,700 (for travel, per diem)
Title:	"International Collaborative Biodiversity

Role:	Program" network. Principal Investigator
Dates:	09/01/2004 - 01/30/2007
Direct Funds:	\$300,000
Title:	"High throughput profiling of plant extracts using engineered heart tissues".
Source:	N.I.H. STTR
Role:	Co-Principal investigator with T. Wakatsuki
Dates:	12/2006 - 11/2007
Direct Funds:	\$136,000
Title:	Post Doctoral Training Grant (T32) "Mechanisms of inflammation and injury in congenital and acquired cardiovascular disease."
Source:	NIH-NHLB
Role:	Clinical Program Coordinator
PI:	A. Greene
Dates:	07/01/2009 - 06/30/2010
Direct Funds:	\$1,200,000

Non-Peer Review

Title:	Multiple patent applications
Source:	Michigan State University, Office of Intellectual Property
Role:	Inventor
Dates:	1995 - 1999
Direct Funds:	\$80,000
Title:	"Survey of attitudes regarding ciprofloxacin for treatment of Traveler's Diarrhea"
Source:	Bayer Pharmaceuticals
Role:	Principal Investigator
Dates:	1996
Direct Funds:	\$6,000

COMMITTEE SERVICE:

Medical College of Wisconsin

10/2005 - Present Dept of Medicine designated advisor to all students and present residents interested in global health training, including all students and residents inquiring about participation in Dept sponsored international electives in Philippines.

2005 - Present Advisor, Global Health Interest Group

2005 - 2008 Advisor and Board of Directors, WiCare.

2005 - Present Advisor, Center for International Health

11/10/2006 Department of Medicine Research Day (organizer) Guest speaker: Dr. Adel A.F. Mahmoud MD PhD, Executive Director, Gates Foundation's International HIV Vaccine Initiative.

09/2008 - Present Advisor/mentor, Milwaukee School of Engineering "SMART "Team (with Brown Deer High School)

MEDICAL COLLEGE TEACHING ACTIVITIES:

Medical Student Education

2007 Teaching attending, General Internal Medicine Service (2007), Froedtert Lutheran Memorial Hospital.

2011 - 2012 TBL Med Micro

Resident, interns, students on clinical infectious disease rotation

Departmental seminars - Biochemistry, Infectious Disease

Advisor, Froedtert International Travel and Immunization Clinic

Clinic Manager.

Consultant, Adult infectious disease service, Froedtert Hospital.

Medical parasitology lectures (n=8) for M2 Med Micro standard curriculum

COSI advisory committee, Dept Biochemistry, as needed

Director, Global Health Pathway curriculum

Biochemistry problem based learning, as needed

EXTRAMURAL TEACHING:

Medical Student Education

1996 - 1998 Michigan State University, Mentor for group of seven first year medical students

Michigan State University, I.D. Inpatient consultation Service

Michigan State University, Block II Curriculum Lectures
Michigan State University, Small group leader, yearly, Infectious Disease, Immunology (HM605),
Development and Human Behavior, Pulmonary Disease and Renal Disease, Hematology/Oncology
domains
Michigan State University, Block II Program, CHM
Michigan State University, Clinical Skills: Neurological Examination
Michigan State University, Teaching attending: Internal Medicine Service, Residents and Students
Michigan State University, Molecular Pathology, (Pathology 891) Guest lecturer. Title: Infectious Disease
Diagnosis and Applied DNA Technology.
Michigan State University, Internal Medicine Residency Core Curriculum: Upper Respiratory Tract
Infections, Adult Immunizations, Infectious Disease Emergencies, Agents of Bioterrorism

Resident and Fellow Education

1996 - 1998 Michigan State University, Internal Medicine Resident Clinic. Faculty preceptor, Ingham
Medical Center

Continuing Medical Education

07/1989 - 06/1991 Michigan State University, Research Coordinator: Tropical and Infectious Disease
Laboratory: responsibilities for assisting with multiple research projects by visiting professors,
research assistants, and graduate students
Michigan State University, Olin Student Health Center and Office of International Studies. Medical
Advisor: Travel Medicine clinic and Office of Study Abroad. Advisor and teacher for students, faculty
and staff
Michigan State University, Medical Entomology: (NS491) Guest lecturer
Michigan State University, Family Practice (MED 850) "Primary Health Care in Developing Countries"
Guest lecturer

MCW STUDENTS, FACULTY, RESIDENTS AND CLINICAL/RESEARCH FELLOWS MENTORED:

Medical Students

Global Health Interest Group members, MCW, 2005 - Present individual and group discussions
Participants in Philippines electives: 7 M4s, MCW, 2006 - 2007
20 M4s, MCW, 02/2009
Participants in Philippines electives: 25 M3, M4 students, MCW, 2009 - 2010
Six applicants for NIH-FIC Fogarty Ellison International Clinical Research Awards, MCW
Kristen Berg, MCW

Clinical/Research Fellows

Diraj Kotwal, MCW, 2006 - 2007
Sun Park, MD, MCW, 2007 - 2008

Residents

Participants in Philippines electives: Four Residents, MCW, 2007 - 2008

EXTRAMURAL STUDENTS, FACULTY, RESIDENTS, AND CLINICAL/RESEARCH FELLOWS MENTORED:

High School Students

Deepak Mistry, Michigan State University, 1998 Honors Program
Nikki Tsang, Michigan State University, 2000 Honors Program
Chris Ryan, Michigan State University, 2001 Honors Program

Undergraduate Students

Levi Boldt, Michigan State University
Ying Wang, Michigan State University
Joshua Vanderlugt, Michigan State University
Robyn Englehardt, Michigan State University

Wendy Xiao, Michigan State University
Kristine Marquard, Michigan State University

Graduate Students

PhD Committees

Quio Tan Xiao, Michigan State University
Scott Boley, Michigan State University
C. Sukuru, Michigan State University
Chi Lei, Michigan State University
Bob Kennewel, Michigan State University
B. Pascutti, Michigan State University
Jamie Blow, Michigan State University
Robert Eberson, Michigan State University
Mark Huntington, Michigan State University
Kati Loeffler, Michigan State University
Cindy Nelson, Michigan State University
M. Petridis, Michigan State University
Robert Garrison, Michigan State University

MS Committees

Kerry Cullen, Michigan State University
Nino Soave, Michigan State University
Huang Che, Michigan State University
Wenyue Huang, Michigan State University
Jose Santiago, Michigan State University
Heidi Long, Michigan State University
Valentine Nforsam, Michigan State University
Tracy Smith, Michigan State University

Residents

Bharti Scahdev, Clement Banda, Suganda Lohim, Amit Chose, Margaret Purdy, Michigan State University, Advisory Committee

PROGRAMMATIC DEVELOPMENTS:

Educational Programs

Student

1996 - 2000 Course Director: "Primary Health Care in Ecuador", MED 645: Four-week course held in Ecuador with the collaboration of the University of Guayaquil School of Medicine
03/2001 Program Co-course Developer, "Spanish for Health Professionals" Sponsor/advisor. In collaboration with the Romance and Classical Language Dept (MSU), Latin American&Caribbean Studies, Dept. of Medicine
2006 - Present MCW Department of Medicine, International Elective for M4's (311-M4181). In collaboration with the University of the Philippines College of Medicine, Manila.
2006 - Present MCW Departments of Medicine and Pediatrics, International elective for residents In collaboration with the University of the Philippines College of Medicine, Manila.
07/2009 - Present MCW Global Health Education pathway (Director) for M1-M4 curriculum
2009 - Present MCW Department of Medicine, International Electives for M3's (Approved 10/2008 to begin in 2009). In collaboration with the University of the Philippines College of Medicine, Manila.
On-line Certificate Program in Travel and Tropical Medicine (Concept approved by American Society of Tropical Medicine and Hygiene, summer 2006, not implemented.)

COMMUNITY SERVICE ACTIVITIES:

1988 - 1991 Medical advisor (voluntary) Children's Ballet Theater; Lansing, MI

11/1995 Produced and Directed "Primary Health Care in Ecuador" post-production editing of a 45 minute orientation video for students/faculty with international health interests

1996 Introduction video for new patients attending the Travel and Immunization Clinic, MSU Olin Health Center

2003 - 2005 Board of Directors (2003-2005) Children's Ballet Theater of Michigan

2004 International Travel advisor, Okemos Public School Orchestra trips to Europe

2005 - Present Advisory committee, Center for International Health, Milwaukee WI

2006 International Travel Advisor volunteer (2006) Planned Milwaukee Youth Symphony Orchestra trip to China

07/2007 Medical Chaperone, Milwaukee Youth Symphony's Concert Tour of China (July 2007)

Okemos Public School District, and Greater Lansing Ballet Company. Freelance Photographer
